Glass - Guided Open Studio

Age 16 yrs. and up.

If you've taken a glass fusing and slumping class at Pullen Arts Center before and want an opportunity to work on the a project you've envisioned with some technical guidance from an instructor and to have your piece fired in Pullen Arts' glass kiln, this is the class for you! Students come to class with their project idea, talk it through with the instructor, then are free to work at their own pace! Students must have projects ready to be fired by the end of the final class meeting. Students may use Pullen's frits, but they must purchase glass from Pullen's store.
